Re: Emergency Administrative Order Closure  
Arapaho Community PWS  
Docket No. SDWA-08-2005-0001  
PWS ID #085690004

Dear Chairman Brannan:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Order), Docket No. SDWA-08-2005-0001, originally issued November 9, 2004, to the Northern Arapaho Utilities which owns and/or operates the Arapaho Community Public Water System located on the Wind River Reservation, Ethete, Wyoming. This decision is based upon EPA's determination that the system has fulfilled the requirements of the Order.

Please be aware that you are required to comply with the National Primary Drinking Water Regulations (NPDWRs), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.
